Go to Learn GERMAN

An offer for those with a need for language support in German

bbwe

Gemeinnützige Gesellschaft für Beratung,
Begleitung und Weiterbildung mbH

The better you speak German, the easier it is for you to find a workplace or a training place!

We will help you find a German language course that fits your needs. If you are already participating in a course, we will support your learning process and look for future opportunities.

Duration

The course takes place 5 hours per weekday (compulsory presence). The participation will end as soon as you start with an advanced language course.

Who can participate?

The course addresses employable recipients of benefit (migrants and refugees) who need to learn German.

Free participation is possible after an allocation by the social service agency Mülheim an der Ruhr.

This offer is supported by the Jobcenter Mülheim an der Ruhr.

Contents of the measure

Together we will look for a suitable language offer, prepare you for the course and accompany you till its beginning.

We will foster and stabilise your language development during the transitional period, for example from an integration course to an advanced language course.

We will also offer you a diverse spectrum of advisory services, information and activities on all aspects of the German labour and apprenticeship market.

During individual consultations we will provide support in

- ⇒ **Phrasing your goals**
- ⇒ **Pursuing your goals**
- ⇒ **Achieving your goals**

Language
